A spring clean - for free!

COMPETITIONS

Spring's officially here, and with it the realisation that the winter grime must go!

Spring cleaning may have been the April watchword a few years ago, but for many of today's busy homeowners, finding time to give the house the top-to-toe clean it needs and deserves is often way

down the list of priorities.

That's where Acton-based professional cleaning company Absolutely Spotless come in — and they're offering one lucky Times & Guardian reader a total Spring Clean completely free!

The five year-old company offers tailor made cleaning services for

busy homes all over Greater London — but don't expect a Mrs Mop and a duster.

The complete Spring Clean service, the perfect, one-off remedy for a sparkling home, leaves the kitchen, bathroom and all surfaces gleaming and includes industrial vacuuming throughout.

The Absolutely Spotless team also offer an End of Tenancy clean to ensure tenants get their deposit back, a Moving Home Clean which can either add to a home's selling power or freshen up a house before new owners move in, and a Builder's Clean to get rid of dust, rubble and paint.

Rates are reasonable, with a Spring Clean for an average three-bedroom house costing about £130-£150. Absolutely Spotless also offer professional carpet, upholstery and window cleaning for an extra charge.

● To be in with a chance of winning a free Spring Clean, simply answer the following question: **Do the clocks go forwards or backwards in Spring?**

Put your answer on a postcard with your name, address and a daytime telephone number and send it to: Absolutely Spotless Competition, Times & Guardian Newspapers, Ground Floor Annex, Hayes Gate House, 27 Uxbridge Road, Hayes, Middlesex, UB4 0JN.

The closing date is Tuesday, April 3 and normal competition rules apply.

● If you're not lucky enough to win but would like Absolutely Spotless to work their magic in your home, contact them on 8932 7360.
