TO WHOM IT MAY CONCERN

Faradays have been using ABSOLUTELY SPOTLESS since its conception some years ago. We have always found them to be extremely efficient, adaptable and prepared to stretch themselves to accommodate their clients, while keeping up standards.

We are happy to recommend them to any other interested parties. As Letting agents in Central London we have had occasion to employ Absolutely Spotless for all types of residential accommodation which included carpets and windows and have always been satisfied with the result.

A handwritten signature in black ink that reads "Freddie Wagner". The signature is fluid and cursive, with a large initial 'F'.
