To Whom it may Concern

Mr Jack Pead of Absolutely Spotless has been known to us for a number of years. We have used the company on a regular basis to carry out cleaning work after building work and furnishing contracts have been completed. We have also used the company for generally spring cleaning flats, carpet cleaning etc.

The service provided is first class and often arranged at short notice.

We highly recommend the cleaning services of Absolutely Spotless.

Faith Panton  
Director
